Md Sariful Islam, PhD

Associate Professor, Khulna University, Khulna, Bangladesh
sariful_ku@econ.ku.ac.bd; 01794569406; Google Scholar; ORCID

Education

PhD in Applied Economics	2026	Auburn University, AL, USA
Master of Resource Management	2026	Auburn University, AL, USA
MSS in Economics	2013	Khulna University, Bangladesh
BSS in Economics	2011	Khulna University, Bangladesh

PhD Dissertation Title

Three Essays on Applied Economics and Policy in the US Forest Sector
Advisor: Prof. Daowei Zhang; Committee: Dr. Sunjae Won, Dr. Mykel Taylor, Dr. Henry Thompson

PhD Dissertation Essays

- Tariffs and Market Impacts: Evidence from the Fifth Episode of the US-Canada Lumber Trade Dispute
- Persistent Tariffs and Dynamic Adjustment of Foreign Direct Investment: Evidence from the US–Canada Softwood Lumber Dispute
- Property Taxation and Land-Use Transitions: Implications for Carbon Sequestration

Research Interests

Applied Economics in Forest, environmental & Resource Economics; International Trade; Games & Economic theory

Teaching Interests

Microeconomics; Macroeconomics; International Trade; Mathematical Economics; Big Data; Econometrics; Forest, Environmental and Natural Resource Economics; and, Agricultural Economics

Academic Appointments

- Teaching Assistant, Spring 2026, Auburn University, AL, USA
- Research Assistant, Fall 2023 - Summer, 2026, College of Forestry, Auburn University, AL, USA
- Associate Professor, Nov, 2020 - Onward, Economics Department, Khulna University, BD
- Assistant Professor, Nov, 2015 - Nov 2020, Economics Department, Khulna University, BD
- Lecturer, Nov, 2013 - Nov 2015, Economics Department, Khulna University, BD

Courses Taught

Principles of Microeconomics; Principles of Macroeconomics; Intermediate Microeconomics; Intermediate Macroeconomics; Econometrics I & II; Advanced Econometrics; Mathematical Economics; Environmental Economics; Natural Resource Economics; Agricultural Economics; International Economics; Public Finance

Student Supervision

Supervised 73 theses/projects across undergraduate and graduate programs, resulting in 40 competitive placements and several peer-reviewed student co-authored publications.

Academic Service & Leadership

Graduate Program Coordinator, 1.6 years

- Managed admissions, thesis defenses and final examination.
- Led curriculum redesign and outcome-based learning initiatives, fostering mentorship and student research development.

Batch Coordinator, Undergraduate and Graduate Programs, 7 years

- Advised students and managed academic issues for assigned cohorts.
- Supported accreditation and departmental initiatives.

Committee Member, Undergraduate and Graduate Programs, 7 years

- Contributed to examination, admission, syllabus, and program development committees.
- Supported accreditation and departmental initiatives.

Grants & Project Leadership

- Co-PI - 2021 - Adaptation to Climate Change for Farming Activities and Drinking Water in Southwestern Bangladesh (2021). DECCMA Upscaling Project. Amount: $3,000.
- Co-PI - 2017 - Tobacco Control Policies and Smoking Behavior among Students . Johns Hopkins Bloomberg School of Public Health. Amount: $10,000.
- Co-PI - Phase II (2016): Monitoring of Factory Training Programs - Improving Labour Law Compliance and Building Sound Labour Practices in the Export Oriented Shrimp Sector in Bangladesh. Amount: $5,000.
- Co-PI - 2015 - Phase I: Monitoring of Factory Training Programs - Improving Labour Law Compliance and Building Sound Labour Practices in the Export Oriented Shrimp Sector in Bangladesh. Amount: $3,500.
- Co-PI - 2015 - Shrimp Induced Salinity and Its Effect on Rice Farmers. SANDEE. Amount: $21,000.

Research Interests

Applied Economics; International Trade; Agricultural Economics; Natural Resource Economics

Programming and Data Analysis Skills

- Proficient in STATA and R programming for large and complex data management & visualization
- Proficient in Stata and R for conducting advanced econometric modeling and forecasting
- Proficient in R and Python for machine learning and data science

Review Activities

China Agricultural Economic Review; Fudan Journal of the Humanities and Social Sciences; Journal of Housing and the Built Environment

Awards

- Graduate Assistantship, Auburn University, 2023–present
- Lyle C. Tom Endowed Graduate Award, CFWE, Auburn University, 2024

Presentations

Year	Conference / Event	Location
2026	Auburn University Research Symposium	Alabama, USA
2026	SAEA Annual meeting	Kentucky, USA
2025	International Conference on Forest Carbon & Resilience	Alabama
2014	SANDEE Summer School in Environmental & Resource Economics	Bangkok, THAI
2014	SANDEE Research Workshop in Environmental & Resource Economics	Dhaka, BD
2014	SANDEE Research Workshop in Environmental & Resource Economics	Colombo, SRI
